BENTON UTILITIES - BENTON, ARKANSAS JOB DESCRIPTION

JOB TITLE: Operator DATE: 04/18
DEPARTMENT: Wastewater Treatment GRADE: 8

DIVISION: Public Utilities FLSA STATUS: Non-exempt REPORTS TO: Wastewater Treatment Manager EEO CATEGORY: Skilled Craft

This job description should not be interpreted as all-inclusive. It is intended to identify the essential functions and minimum qualifications of this job. The incumbent(s) may be required to perform job-related responsibilities and tasks other than those stated in this job description. Nothing in this job description restricts management's right to assign or reassign job-related responsibilities and tasks to this job at any time. Certain functions are understood to be essential; these include, but are not limited to, attendance, getting along with others, working a full shift, and dealing with and working under stress. Any essential function of this class will be evaluated as necessary should an incumbent/applicant be unable to perform the function or requirement due to a disability as defined by the Americans with Disabilities Act (ADA). Reasonable accommodation for the specific disability will be made for the incumbent/applicant when possible.

JOB SUMMARY: Assists in plant operation and maintenance, recordkeeping, general upkeep of equipment, grounds and buildings. This position is responsible for vehicle maintenance, inspection and keeping daily records updated.

ESSENTIAL JOB FUNCTIONS:

- 1. Coordinates with Chief Operator IV and Chemist on overall plant performance and provides assistance as needed.
- 2. Maintains flow records, daily equipment records, daily work reports, sludge distribution and application reports.
- 3. Oversees ground maintenance.
- 4. Trains personnel in proper usage of equipment such as Filter Belt Press, Fenton Sludge Master Dryer, sludge pumps and safety in handling of chemicals such as chlorine and sulfur dioxide gases.
- 5. Provides statistical information and data pertaining to plant performance to Wastewater Treatment Manager.
- 6. Ensures proper documentation and maintenance of all department vehicles including daily logs and safety checks.
- 7. Does small repair tasks to equipment such as chlorine equipment and replacing packing in pumps.

SECONDARY DUTIES AND RESPONSIBILITIES:

- 1. Hauls liquid solids using tank truck.
- 2. Operates dump truck, pickup, mowers, vac truck, and jet rodder as necessary in plant operation.
- 3. May be required to work weekends, evenings, and overtime.

SUPERVISORY RESPONSIBILITY: None

RESPONSIBILITY FOR FUNDS, PROPERTY & EQUIPMENT: \$150,000-\$100,000

EDUCATION AND EXPERIENCE

High school diploma or GED plus specialized training and/or additional college courses and two (2) years of related experience and/or training.

MINIMUM QUALIFICATIONS:

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Must possess and maintain a Class III Wastewater Operator license.

Class B or better Commercial Driver's License.

Knowledge of wastewater systems, processes methods, and techniques.

<u>Comprehensive knowledge</u> of rules and requirements of Federal and State regulatory agencies such as ADEQ and EPA.

<u>Comprehensive knowledge</u> of materials, supplies, and equipment related to wastewater treatment operations.

<u>Comprehensive knowledge</u> of workplace safety issues and ADEQ training requirements.

Skill in completing reports of a statistical nature.

Ability to troubleshoot plant operation problems.

Ability to communicate effectively, both orally and in writing.

Ability to follow instructions and complete tasks as assigned by Department Manager.

These knowledge, skills, and abilities are usually, although not always, acquired through completion of high school, additional training under State regulated licensing program, and two (2) years of progressive

experience in wastewater treatment operations. Equivalent combinations of education and experience will be considered.

ADDITIONAL REQUIREMENTS:

Class B or better Commercial Drivers License or the ability to obtain license within one year of employment.

PHYSICAL REQUIREMENTS:
